Al & Dave Eicher have given over 200 lecture and visual presentations throughout the State of Michigan. We service Libraries, ILR groups, historical societies, colleges and museums. The lectures and visual presentations are divided into multiple chapters and printed handouts address key points. Historical items and documents are also on display. The visual elements originate from a DVD and are shown on a video projection system. Presentations range from sixty to ninety-five minutes, with question and answer sessions. Please book 6-8 weeks in advance. For information and service fee, call Al or Dave Eicher at 248-333-2010. Email: [al@program-source.com](mailto:al@program-source.com) or [dave@program-source.com](mailto:dave@program-source.com). Visit us on the web for additional offerings.
