Our lectures and visual presentations are divided into multiple chapters and have printed handouts to address key points. Historical artifacts and documents are also on display. The visual elements originate from a DVD and are shown on a video projector. Presentations range from sixty to ninety-five minutes, with question and answer sessions. Please book 6-8 weeks in advance. For information and service fee, call Al or Dave Eicher at 248-333-2010 or by email (al@program-source.com). Visit us on the web for additional offerings.
